

NEW YORK STATE Women, INC.

professional women of the finger lakes

Dear Colleague:

The Women of Distinction Awards is a program that has been sponsored by the Professional Women of the Finger Lakes for more than 20 years. The awards recognize, encourage, and celebrate outstanding women who have made a significant impact and demonstrated excellence in one of four categories:

- **Entrepreneurial Achievement**
- **Professional Achievement**
- **Volunteer Service**
- **Women Helping Women**

This year's awards dinner will take place June 5th, 2025 at Ravenwood Golf Club and includes a program that highlights each nominee and a panel discussion of past recipients. In addition, we will award and recognize our annual scholarship recipients. Over many years, we have awarded in excess of \$100,000 in scholarships. Our main sources of funding are this event and the strong partnership that we have with the Ontario County ATHENA Leadership Awards Program.

As a business leader, we invite you to join us in highlighting the women who have made a significant impact in the Finger Lakes region. You can get involved in many ways including:

- Becoming a sponsor of the Women of Distinction Awards
- Donating an item for our silent auction
- Nominating a deserving woman for one of the award categories

Ultimately, the Women of Distinction Awards will help increase the notoriety of the women in our area that exemplify true leadership and civic responsibility. Your sponsorship of this unique event will showcase your company's commitment to highlighting the accomplishments of our region's female leaders. Thank you for your consideration and we look forward to working with you.

Sincerely,

Your friends at PWFL
